Cleaning

Wipe with a damp cloth and mild detergent. Dry immediately. Leaving water or cleaning agent on the surface may damage the finish.

Construction

The wooden components are manufactured from solid birch or birch plywood protected with a child-safe finish. The bench cleats and the connecting system are plastic.

Maintenance

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

Assembly

Benches come with a tool-free connecting system. Lift one bench to slide the two connectors together from the top down.

Figure A

Four Corner benches can be hooked together to form a circle.

Benches can also be connected to the Welcome cubbies in the same way.

⚠ CAUTION

- ▲ This will require 2 people. Do not rearrange units with children nearby.

User Modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.
